Ards and North Down Borough Council recognises the need for Capital Investment into our Sports Clubs and Facilities, to improve the quality of provision and sporting experiences for people living within the Borough.

The Sports Development Capital Grant Programme provides financial assistance to eligible Sports Clubs for the delivery of capital projects and the purchase of capital equipment. The Council has set aside £70,000 for 2025/26 financial year and can award up to 60% of eligible capital costs with a maximum award of £6,000 in respect of any one project. Following grant assessment and allocations and if there is funding remaining, Council may consider awarding grants of more than £6,000 should the need be identified and in merit order.
